GENPOWDER THIEVES OUTWIT-TED.-New-York, 13th Nov., 1851. Mr. NATHAN-IEL BACON, Proprietor of YALE'S PATENT POW-DER-PROOF LOCK, Middletown, Conn. Sir. We had thieves in our stere last Sunday, who spent the whole day trying to get into one of Rich's Salamander Safes. Your lock resisted all their efforts, and although frequent charges of guspowder had been fired, they did not injure the Lock in the least, which works now as well as ever. It is truly a powder proof lock. We remain yours, truly, ni9 61* FINCK & KAUTH, Flour Dealers, No. 303 Washington-st.

ZINC PAINTS, Manufactured at New-ark, New-Jensey, by the NEW-JERSEY EXPLORING AND MINING CO. This Company is prepared to furnish a supply of their raluable.

valuable

ZINC PAINTS,
which have been found, ofter several years' trial, both in
Europe and in the United States, to retain their original
beauty and protective properties, superior to any other
Paint whatever. Their

WHITE ZINC PAINT
is purely an Oxide of Zine, and is warranted free from all
adulteration whatever. It has no potamous properties as
objectionable to the health of families and working in
some other kinds of moments.

adulteration whatever, it has no poisonous properties ac objectionable to the health of families and workins it some other kinds of pariments.

IT WILL NOT TURN YELLOW when exposed to supparators or mephrine exhibitions, ereven when shut up in a close room, nor is it affected by pictures hung on walls conted with it. As an outside Paint, it withstands the changes of weather better than any other, not being inable to turn chalky or to crumble and rub off. It may be worked with any color, or with water and oil, or with variash matend of oil, thereby giving the justly celebrated porcelain finish.

The Company also manufacture BLACK AND COLORNO ZINC PAINTS, which are beyond question without any equal for coating roods, ships, outbourses, fencing and all iron or other metalle surfaces. They are of pure METALLIC CNIDES.

and are snaffected by sait water or other exposure, issue than any other parits within our knowledge.

For and other metals do not origine when conted with them, and there are remarkable for their fire-proof properties. Dealers emplied on theral terms by

AND WARRANTS LOCATED.—

The undersigned would inform all persons in the city of New York and throughout the State interested in Land Warrants not located, that they have made an arrangement with an efficient and responsible Agent in the State of Warrants and located, that they have made an arrangement with an efficient and responsible Agent in the State of Warrants and the best lands not taken up in the State at a very trifling expense to the warrants or holder. Our agent is untimately acquainted with all the lands in the State still in market, and has accurate extends maps of such onsold lands. He is connected in this business with the Hon. Thoodore Conley, former Superintendent of the Surveys in Northern Wesconsin, and who has accurate minutes of all surveys. He has constantly on hand a large list of the choiceast Government lands in the State, made from the most rand personal crammation of such hands. And the undersigned would surgest to all persons holding warrants that the best lands are being rapidly taken up, and that the soomer their warrants are located, the greater will be their choice of location. The entire expense of locating a single warrant will not, in originary cases, exceed the sun of twelve dollars; and when located, the warrantee will receive a certificate of the location and accurate man of the township in which the land hes together with a description of the quantity of the soil, timber and water privileges, if any thereon. Persons out of the city upon inclosing their warrants to us for location will receive a receipt therefor by return and and when the location is perfected, will receive the certificates, maps, &c. : and we hold ourselves responsible for all warrants so received. It will be readily perceived that the advantages to the warrantee of a late to their warrants, and reclaims more available that whe he before was of uncertain advantage. The above arra TILTON'S IMPROVEMENT to the Violin. At a meeting of Professional Violinists and others, held at the Anolic Rooms, Wednesday afternoon, Nov. 12, W. T. Roberts, Esq., having been appointed Chairman, U. C. Hill, Esq., Vice-Chairman and G. W. Preil, Esq., Sectolary, After a full examination and tried of Tiltron's Improvement to the Violin, the following of TLITON'S improvement of the Country of the Invention was offered by Geo. Loder, Esq., and unautoposity passed. Resolved, That this meeting do heartily approve of the Invention of Mr. TILTON, and indorse its usefulness and its applicability to the Violia, rendering the tones clearer, fulier, and of the quality and freedom of wibration of an old Italian instrument.

The subscribers are constantly adding this improvement to old and new instruments—one day only being required to effect the change. They also keep on hand for sale at wholesaic and retail, improved Violins and 101° W. B. this institution is probably unsurpassed, and being on the
beautiful margin of the Connecticut River, near the asboard neary of access by New York and Hartford daily
tennebers. As a minor consideration, we would add that
the tenchers and pupils are furnished, at a moderate charge
by the stable of the Seminary, with well trained saddle
horses for young ladiese use. Circulars contaming a ries
of the Seminary Buildings, references, &c can be had of
LUCIUS LYON, A.M. Principal.

Essex, May 18, 1651.
